Introduction

This directory provides a list of Gateway Health Plan *Medicare Assured*[®]'s plan providers and network pharmacies.

To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our plan providers that are listed in this directory to be your **Primary Care Provider (PCP)**. The term "PCP" will be used throughout this directory. Generally, you must get your health care coverage from your PCP. You will usually see your PCP first for most of your routine health care needs.

The "plan providers" listed in this directory have agreed to provide you with your health care coverage. You may go to any of our plan providers listed in this directory. If you have been going to one plan provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-plan providers. For some types of services, your PCP may need to get approval in advance from our Plan (this is called getting "prior authorization").

List of Plan Pharmacies

Introduction

This section of the Provider Directory provides a list of Gateway Health Plan *Medicare Assured*[®] network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the Gateway Health Plan *Medicare Assured*[®] formulary.

If you have additional questions, please call our Member Services at 1-888-447-4505, 8:00 a.m. to 8:00 p.m., 7 days a week. TTY users should call 1-800-654-5988. Or, visit www.gatewayhealthplan.com.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Gateway Health Plan *Medicare Assured*[®]. In most cases, your prescriptions are covered under Gateway Health Plan *Medicare Assured*[®] only if they are filled at a network pharmacy. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.
